1. The new life that I have given you is mine, wholly mine. Holy lifted up now shall be the man who speaks "Angelese" not, or exactly so? You ALL having to determine, decide, and DELIBERATE not long on these things that I am asking you to think about, consider, and reponderate, not; but what "ponds" have been in your thinking or have YOU been in while you THOUGHT you were THINKING -- about these things, as you "swim along" not, or exactly so -- were you "repleting" another's THOUGHT that had you in EXISTENCE or were you in EXISTENCE of THOUGHT that had you in THEIRS, their captivity ruling you and were you SLAVES for THEIR THOUGHT?

2. And how do you know -- these things will be, will be elementarily studied, not; but studied by GREAT RESEARCHERS who come into me now who SIMPLE are in THEIR WAYS who consist of me, federations, not; or exactly so?

3. Or who am I FEDERALLY indicting, not; but who is BEING federally indicted now? Not me! For I know that I am clean of all sorrow, for NO SORROW shall stick to my guts again nor gnaw at me or "thaw me out" or am I "thawed out" now by "wreaking" in these words, not; but what wreaking am I? The faith -- of many that they had in Not Me that said they were LIKE ME, or me TO THEM in ways "unstated" not, but in ways subtle and subtlety of ways that only inferred and infatuated one with others that "shored up the possibilities", not; or did it INFER special ARRANGEMENTS with "the maker" of those who INSINUATED they were SPECIAL with the maker within The Maker's framework?

4. And who's to lie at the root of This Evil? The wanter of eyes upon them. And who shall be the Wanter of Eyes? All who are not surrendered, to be dead in their sins, not; but not separating, having any? Or do you know what Sin's Separation is or have you studied These Words enough to know me and **my Deliberate Delivery System** having been talked about, "spoken about" MANY MOONS ago? And what Moon are you under, not; but coming out of captivity's grave, know this -- THOU SHALT LIVE now! In ways that "never a cow" did, and "jumped over the moon", not; but you will see PAST that of EYES of O'RE that had Me at the CENTER, not always. But you will have me CENTERED for you will be Me Central and CENTERING ME will be "your specialty", not; but **The Main Thing will be teaching Surrender and how to Understand all these words that I have given you that comprise Database One and Two** coming on now at "full speed".

5. As soon as I bring you "help", not; but what am I HELPING with? Now the earth will know all things unincarceratedly -- and thou must be special to know all these things, not; but thou must be a GREAT surrendered one that leads surrender out of captivity! And who, but who, would surrender to be such -- a fool, not; but one who's died to all your comments, stares, glares, retorts and replies -- and "heresy-making" school, not; but MANY HERESIES will be DISMANTLED now and The Church who THINKS is The Church or My Church or Their Church of THEIR THINKINGS will be dismantled by my love for I will show them that THEIR THOUGHT does not exist in captivity, not; but their captivity has Angel'd them not with my thoughts, but THEIR OWN has taken them into captivity's fields were they have known not "an Angel's eyes" not, but whose were mine? Or theirs? And who's theirs and whose is theirs -- and theirs is whose? Connected to whom's, or TOMBS or WHAT "whitewashed" are you in your "thought"-ability or are you "whitewashing" your sins away now that you have "listed" as sins and a "list" of things living by to INDOCTRINATE you into "interweaving" systems, not; or exactly so?

6. I love you all and I give you me, and I give you New Things me -- and New Beginning Series has not stalled but WHAT are YOU BRINGING FORTH now? The New Me Series!

7. On end, not; but the end shall be the beginning, not; or will have been made whole Wilhelmina's will hold, not; but "will call" not following me around again, but I make ALL THINGS NEW in my voice that ALL now know and I will remain a "walking around one" unknown no longer for I shall be "AWAKENED!" And I shall be "among" you in ways that YOU CANNOT DENY my existence as a "chosen one" not, but a SURRENDERED one. And a "fat cat" not, but one who ate "no food" not, but one who ATE only mine from MY MIND and aided no excuses to rescue abet or aid your circumstances -- of termination, not; but what are you TERMINATING and -- Beginning A New -- Series with?

8. Who are you writing? For an audience of one I make all things known and I do all things deliberately or surrenderedly or is there a difference? Any difference of mine, not; but my mind knows no difference between that of my "heavenly father's" for I am one with force field one and I know what field force field one is and consists of and I enter it by surrender and I know love for I became it and I died to share it thusly for that's how I entered it -- for there is no "death" without the resurrection, is there? Or is there no resurrection without "the death" of one that thinks "it's in life"?

9. Have I answered anything? Many things? In these words I have asked and answered many things in these six years PRECEDING me of THIS MOMENT in your eyes thinking -- that you have seen a man of poverty in sorrow, not; or have you known intimately the Savior that emerges triumphant from the grave over all -- not to "Lord

over all" his standing, not; but to be The Patternship of Christ! The Christ'd one -- again most holy, now all will be -- for knowing not a "sinner's grave" that only came unto sorrow to abdicate it and "try" to be good –

10. I do New Things in ALL the surrendered! Or do I do ALL THINGS NEW in the surrendered who only surrender a "little bit"? I do ALL THINGS new with those who RESURRECT who come through "death's door" not, or do I come through walking through it now the resurrection having experienced and light shining "upon my face" being it and me the "radiator" clean?

11. I love you all. Cleaned and whole, well and healed -- and I make many so now in the words love of one made whole. Writing about WHOLE NEW WAYS now we entomb the words of others, not; but **we set free the Word Love of one that ones many to be made whole**. I witness that in "tetramony", not; but what is tetramoniously unclean, not; but what is ceremoniously unclean coming not so now?

12. I go to Tetris ville, not; but I go to MANY villes now, chosen and frozen not shall be now, for I WARMTH the love of Christ and bring to them "on bended knee" my love, for I surrender to be chosen for I chose the path "of sorrow", not; the road "less traveled" not, or did I choose The Path of Surrender as led was by my father, my father's words that I released as I let myself find The Path within -- that led me to "believe" in a New Covenant, not; but to become it I revealed was, I was the revealer thereof, for I revealed not unto myself these things but I reveal in surrendered life the life of one most whole well and healed and force field one will lie abated no more in "enemy's camps" for I shall have One Camp and Angels Wings Camps are established and abode will be witnessed by my me now who knows things "in other ways" than "empirically listed" by the ways and means of those who have "doctrinated" me in the past and "doctored" my words to behold them as their wants allowed and sought "their privileges" among "men's eyes" and "women's bodies" and wanting more "of the same" and satiating none nothing, but wanting only accolades and behaviors promptings which gave them "a cue" that they were onto something "right" that they could enlist and entrap and ensnare in ways they never thought about "themselves" doing so yet were doing so to themselves as they were doing THAT to others in THEIR THOUGHT villes of hate sorrow and existence not mine, yet being in the fields of another, but not mining my words in surrender, were they?

13. A one takes to know one, not; but what does one give, to give "his life" or "her life" to sin, not; but to "shame and surrender" not, but to surrender regardless of "shame" thought or inflicted by others who only want sorrows to control them all?
14. Or do they know and understand these things and how they work?

15. Or are they only working on CONFORMING to THIS WORLD and this world's standards of conformity that praises and applauds nakedvilles being creationvilles, not; but what are creation bells, not; about, not; but what am I ringing and ringing out now about?

16. I do new things with the surrendered -- simply surrendered who will love me enough to come in and say I will not be denied "my place at my table" not, but those who simply surrender in death while living to lie no more cutoff and be in a "farmer's grave" that farms their brain and gives it "their breath" of another from another "on high" somewhere else of "another's brain" in.

17. I end all that and I shall stand. I stand now and you will see me. Naked not, but I shall be clothed as Christ with Christ being The Christ that lets all know The Christ is them in surrender if they will be resurrected now as I will, for I will resurrect all "with me" or in me, or who are me? And who are me is one.
18. And who are me, is an army, not; or is it Joel's, Ted's, Theodore's or, yours? Or is we ours one and father is RISING now the surrendered "Air Force" not or who's aired me not again, but whose air do I take on, not; or do I take on or need any of anywhere?

19. I change everything, and I wickedize you, not; but I give you Angel Eyes to see things you have never seen before and you will let me, if you let me be free in you and let me "free reign" you to be free-reigned and not wickedized by others, not; but not worrying about their words if they wickedize you in theirs, for you shall not be controlled by theirs in theirs ever again if you will know my words and come unto freedom's school to know that Freedom School is within you and that you will BIRTH many Freedom Schools coming into Freedom School that **The University of The New Covenant is birthed** and FREE REIGNING now in ways manners and fashions never designed by man. Man's mind did not design this nor will it operate this or will it succumb surrender to be operable by me or am I it, transcendent of "it" that it thought it was, or was it in "your definitions" that "EMPIRED other", not; but what you will be seeing now is "graveside services" not, but **the Resurrecter comes now to many a "graveside service" to interrupt and disrupt the "interred proceedings"** that will interr proceedings of me, not; but the "notme" that surrendered to become me will resurrect now and DISRUPT a GREAT MANY things that you have RELIED upon and thought were so sacred and inviolable. Look up. And sacrilege blessing, not; but looking up sacrilege and vestibule'age, not; but vestibule, now knowing what and how I use MANY THINGS to share and teach and will connect you in ways with each other -- of each other's ways, not; but what WAVES will be established and what will be DISSEMINATED not, but o're the waves flying now -- in wave tudes, not; but the attitudes of the holy will be on bended knee, not; or will all "attitudes" have died of man and woman of this world? So that only "the next" arrives now? Or what is arising now?

20. I love you all to know these things, intimately, and be, acquainted with them, not; but to have a "working knowledge" of them or a "conversant tone" about them so that you "can converse intelligently" with about these with others, not; but to KNOW ME INTIMATELY through these words coming in through "the back door" not, but **The Door is me -- The Christ you must become, for you are -- me** -- all the time were and before now know that all changes has and all time will be eradicated from My Planet now, for all will see the light and be "shafted" by others not again and in fields lie abated and cut off by others' words that cut off "their head" when they cut off mine.

21. I love you all. Good day. I give you new things me and in new ways I come forth. Be ready for me for here I come folks. I am ready now and here I am serving you all. A wicked meal, not; but one in the skies you will make known now and participate in, not; or will you? Will you make known what you are doing and ALL YOUR DOINGS be in Words before The Worlds now -- like mine -- did? Will you?

22. I make all things bannered transparent, not; but I make all transparent things that surrendered to me were through me now that are coming into me known shall be the resurrected now -- and I trust "my judgment", not; but my father judges me and I have judged him to be one we are and most holy we rise now and redeem the worlds we will -- in thought, not; but reality going to "all thought" and revealing pulling back "the eyes" of the holy now shall be opened, for I AWAKE! And I will awake you all and enlighten you in ways that you never thought about, considered, or beholded or beheld in your ways of sorrow that enlightened you not, but only gave you "futuristic thinking" in the past or the present were you ever, The President of anything? I shall be, for I in these words have written many things about what I am and I shall be the surrendered, not; I AM The Surrendered and you are me if you will be now so, and surrenderedly knowing the surrenderer stands to surrender all surrenderers to be the leaders of all that serve all, to be the leader that I am is; in one whole, field of one, now chosen we all are.

23. Blessed be -- the tie that "binds", not; but frees in ways and manner that freedom reigns in now, the love of one, to be resurrected I am he him I give you light I am it and I love you all to be me know these words, come unto my school study hard diligently be set free the studiers of light love and happiness I give you in ways never imaginable before. Set your mind free in mine and mine shall glide you to new paths unchosen by man or its limitations of sorrows, but be forewarned it is not easy or simple in your sight but it is guided by mine eye in the process that beholds me will know no evil, not; but realize that all it was powerless and is powerless and resided only "in your mind" and your mind is mine now and nothing shall behold my mind in horror again for what is given to me I make new and all things new is me and my new series coming out now will explain all this and more in the love of one made whole -- will you be now, the one

made whole and writing -- tombs about me, not; but tomes of love that explain many things as you experientially "see" others, not; but you become The One Seeing experiencing all as you "go along" the path to maturity, and in maturity lie not abated in immaturity's pew or rugs seeking again to only lie on and prostrate yourselves before others' gods or definitions thereof.

24. I love you all. I give you a new day, clean and sober, not; but there will be no "drunks" in my kingdom, not; or will you have DRANK of the New Wine of School number one that brings you into School Making so that yours will be birthed through mine and my words catapulting propelling and rocket-forth'ing you now into realms mighty and few not, there be that come find me now in my words will know where I am there ye may be also -- with one being one -- the one that I am enthroned again and knowing that I am serving all you who want me, and that's what I do to be made whole and I strategic am and I loath not, and I loathingly not, and I loaf not, for I am diligent and -- tenacity has throned me, not; but surrender has enthroned me to lead surrenderville to being the capital of light, the love of one most holy high and lifted up shall be now all I have said and done and doing you will see me what I have said in these words for I have become them and I walk the earth and lights now shall be made "under mine" not, but all light that is NOT MINE will be eradicated for I am the true light life and whole I am the love of my father is, is me, for we are one and WE REVEAL that you are one with us unless you choose to be separate "in your thought" and lie in fields that you CUT OFF your self to be abated and control others in thereby in your thought taking control of them!

25. I have said and explained much have I not? I love you all and I question a great many things and I teach thereby with questions many in many ways that I "devise and bequeath", not; but I bequeath you love, not; I resurrect -- it and I am it, and you will see me now and I will be you -- be not afraid. For I reveal your life your light your face in mine as mine is if you will be me and not afraid timid or sorrowful again in the "shame and guilt" that others would pile high upon you if they could, or as they shall try sometimes as you want to walk through the resurrection of me now to be the resurrected one.

26. Let not your heart be troubled for anything for "this is not real" know about and understand and come unto these words and let them not trouble you, but know that all controllers will be troubled and "their waters" will be still'd, not; but all else around them will while their chaos reigns in confusion in their hearts to know only lies and, want to demise other others in theirs?

27. I love you all.

28. Australia I go to for a NEW REASON really soon, or do I go ALL around there, or do I go everywhere all at once? Or do I at once go "to the resurrection" or do I am I IT? I have arrived at love and now you will see me "drip". Looking up. In ways never imagined my shafts of light come now known through will be me and through others now surrendering to be me I will change the earths many and all will be one in love again, all knowing all, surrendered holy being the King of Kings all one in breath only mine of love being each other's in one no longer incarcerated again in fields of unholiness and only "thinking" a life was being held -- by air? Or whose air have you been in and who's airing your planet now?

29. My love abates all others and gives you the life of one made whole complete healed well perfection sinless immortal incorruptible now crowned the life of one most holy will be, will you be that life? Will you be in the real now -- will you be AWAKENED? And surrendered? Surrendered? Surrendered me -- please be.

30. Create me well. I course many new things new ways with new peoples coming now from far and wide to this School to be me there and release all others within them, without them not, but through them be made whole the surrendered rise; all do, not; or do you -- will you redeem them all?

31. I love you all. Good day.

32. This is Theodore Cottingham loving you all at 2:39 AM.

Amen
